Cyberchase

Acknowledgement of Country

The organisers of the Melbourne Furry Convention respectfully acknowledge that we are meeting on the traditional lands of the Wurundjeri people and pay our respects to the Woi-Wurrung and Boon Wurrung language groups of the Eastern Kulin Nation. We pay our respects to the Elders both past, present, and emerging.

The organisers of this event respectfully acknowledge the Traditional Owners of the land on which this event is being held. Melbourne has always been a significant gathering place for the groups of the Kulin Nation, and we acknowledge and respect their continuing connection with the land.

What is Melbourne Furry Convention?

MFC also known as Melbourne Furry Convention was started by a group of furs who wanted a local convention and wanted it to feel safe and welcoming.

We strive to welcome all to our community, young and old, new to the fandom or been around for a long time.

We have many different types of activities at the convention including panels, Dealers Den, fursuit walk and more.

Chairperson's Address

Hello and welcome to Melbourne Furry Convention 2024: CyberChase! I am the Chairperson of MFC and my fur name is Pocket, also known as Ella, my pronouns are They/Them. I would like to formally welcome everyone to our fourth convention, introducing a new venue, new events and a lot of fun!

I have been in the fandom for almost 10 years and in that time seen many changes but one thing that has always remained consistent is the passion of the Melbourne Furry Community.

This convention is our biggest year yet and I cannot believe how far we have come since our first convention. We couldn't have done it without you, the community, and your support so from the bottom of my heart thank you all very much.

Remember to take care of each other and of yourselves, follow the rules of both the con and hotel and I will see you around!

Chosen Charity: Odonata Sanctuary Network, Mt Rothwell

Located in Little River, Victoria, Mt Rothwell run by the Odonata Sanctuary Network, spans 450 hectares and is the largest predator-free ecosystem in Victoria. Its primary focus is the management of high conservation value species through breeding and research initiatives.

Mount Rothwell offers tours that provide visitors with the opportunity to experience the natural ecosystem and potentially spot iconic wildlife such as the Eastern Barred Bandicoot, Brush-tailed Rock-wallaby, or even the Eastern Quoll. If you are interested in learning more about the charity and the tours they offer, you can find additional information on their website.
